Dear Tracy,

Everyone I have talked to loved cruising to the Caribbean on the Carnival Pride. The St. Mary's Nursing Center Foundation is very pleased with this fund raising event that made \$6,050 to start a nursing scholarship fund! The Foundation has wanted to start a scholarship fund and we needed to add fundraising events to do so. Your hard work and excellent organizational skills made the cruise a huge success and we thank you.

The foundation looks forward to working with you on other trips. Again, thank you for helping us see one of our goals come true.

Sincerely,

Brenda L. Pruett
Vice President
